General Notice of Potential Liability

SR-6J

Dear Sir or Ms:

Ms. Childs has brought me the prior letter dated March 6, 2020 which she did not receive until on or about March 13, 2020. She has requested that I advise that she does not believe she is responsible in any way for the alleged release of hazardous substances in the subject area. Accordingly, she does not intend to participate in any manner in the activities referred to in your March 6, 2020 letter. Nor does she intend to perform or finance any of those activities. For your information, her property is located a substantial distance from Franklin Street in the Town of Spencer, and, in fact, is outside of the Town limits.

Thank you for your anticipated cooperation in this matter.

Very truly yours,

John J. Fuhs
